radio headset  
Dual radio PTT's

## Product Features

- EasyLink™ detachable cords for ALL radio makes and models.
- Noise cancelling boom microphone
- Certified CSA Noise Rating of 24 NRR—Class A
- Volume Control and PTT located on the ear cup for easy access at all times
- Over sized ear seals for ultimate comfort.
- Choice of style—over the head, behind the head and cap-mounted.
- Full flex boom for precise microphone placement
- Powerful Neodymium speakers
- Rugged cables with durable polyurethane insulation
- Spiral shielding reduces RF interference
- In-Line Big Button PTT option is also available

## PNR™ Technology

### PATENTED PNR™ TECHNOLOGY

AVCOMM patented PNR™ technology provides the highest level of audio performance, incredible voice clarity and higher noise attenuation. Certified 24 dB NRR, you can hear the difference! Ultra-lite Neodymium speakers provide rich, smooth frequency response so you no longer have to strain to hear radio conversation.

## Headset Accessories

**P1005, P1006, P1007**

### DELUXE ACOUSTIC FOAM EAR SEALS

PN# P1006 Small  
PN# P1007 Large  
PN# P1005 Jumbo

Replace old worn out ear seals! Soft, cushy, and ultra-light, AVCOMM Deluxe Acoustic Foam Ear Seals are manufactured to deliver maximum comfort and noise attenuation.

**P1004**

### DELUXE CLOTH EAR COVERS

Cool cotton comfort will improve the tactile quality of any ear seal. They absorb perspiration and relieve "hot spots" and are completely washable for maintaining hygienic use.

PN# P1004

**HS-BAG**

Personal Headset Bag

**P1009**

### DELUXE GEL EAR SEALS

Absolutely the finest ear seal available! Designed for luxurious comfort with silicone gel that conforms to facial contours and glasses. Durable polyurethane construction is unaffected by temperature extremes.

PN# P1009

**P0122**

### ACOUSTIC MIC MUFF

Acoustically transparent Sonic Foam™ greatly improves transmission quality while protecting mic from moisture, dirt, and debris. Hypo-allergenic and completely washable for maintaining hygienic use. Includes O-ring retainer.

PN# P0122 Fits all

**WPTT-XX**

In-Line Push-to-talk

EasyLink™ detachable cords allow the headset to interface with virtually all major brands of radios through a built-in universal 5-pin jack and a detachable cord with positive-lock connector.

If the cord is ever damaged, simply replace the cord, not the headset, and get back to work in seconds.

#### PATHOGENICS AND HYGIENE

Because AVCOMM headsets feature detachable cords, users can take their own headset with them easily and connect/disconnect as needed. This is an affordable way to reduce the spread of pathogenic viruses caused by shared headsets since the headset and cords are sold separately.
