## CUSTOM LABEL PROGRAM

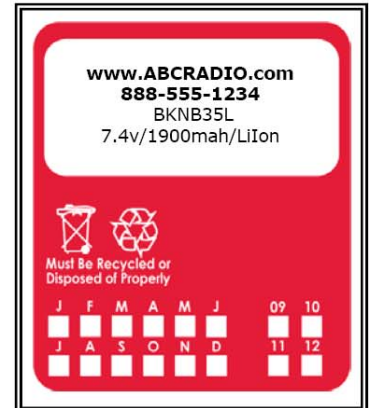

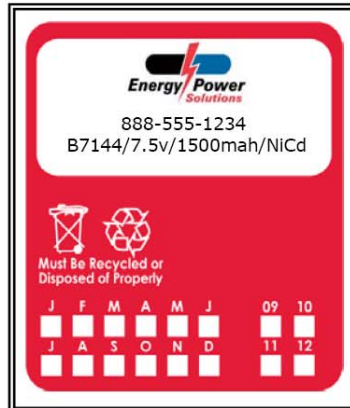

**Energy Power Solutions includes a no cost private label highlighting your dealer information on the batteries we sell to you.**

**This NO COST service to you can include the following information (or other data you choose):**

**Example #1**  
Company Name  
Company Phone  
P/N & Battery Specs

**Example #2**  
Your Company Logo  
Company Phone  
P/N & Battery Specs

**Example #3**  
Company Website  
Company Phone  
P/N & Battery Specs

### BENEFITS OF PRIVATE LABEL PROGRAM

- It's FREE!
- Your name on the battery keeps customers coming back to you with orders resulting in increased battery sales and profits!
- Date code squares allow you to mark the battery when you sell it, starting the warranty period from us
  - Recycling and disposal information on the battery so you stay "green"
